August 28, 2020

Dear Churches, Pastors, Leaders, Members, and Supporters:

Greetings in the name of our Lord and Savior Jesus Christ. Hopefully this letter finds you, your families and congregations well and safe during these critical times. We are in the midst of the Coronavirus pandemic. This outbreak has caused illness and death among many and we pray for the families that have been affected and impacted by this virus.

As you know, all activities are still on postponement in our Association because of the COVID-19 Pandemic. Even though we all are adjusting and re-adjusting daily to maintain in all phases of life; there could be a silver lining in the midst of these unfortunate times. I want to personally thank you for all your support to Jerusalem and ask that you continue to pray and support us.

I am writing this letter to request your consideration in honoring our obligations to our various auxiliaries for the 2020 year. It is requested that churches register with the parent body in this pandemic season as we navigate these uncharted waters. All those who can and will, please send in your annual registration. Churches and Auxiliaries are asked to support the continued success of the Association by giving their fair share of the yearly total budget. Please mail registration to the Association's mailing address provided at the top of this letter.

These proceeds from the annual registration will be used to assure us in providing an annual session for our Parent Body, Congress of Christian Education and our Women's Auxiliaries. There is up-front cost that we normally struggle with or have to encourage pre-registrations to accumulate funds to operate.

There are also State and National obligations that our auxiliaries incur. If those churches and individual will respond to our United Partners and Auxiliary registrations, we will have a great start in the next calendar year to meet our obligations, facilitate each annual session and operate efficiently. We certainly can give our Association a boost into the next year.

Thank you in advance for considering this communication and we appreciate any contribution that you are led to give.

Yours in His Service We Remain,
